Annual Report of

Haynes Library Association

Once more we make our annual report of the library association for the year just closed

The library building and grounds have been kept in good shape.

The report is that the late E. A. Perkins left by will to the library association the sum of $1,000.

Not many books have been added to the library the past year, but those that have been secured, are of a good class.

Mrs. Bullock still continues to give satisfaction as librarian.

It is a fact to be proud of that not a book has been lost, and but a few badly damaged since the library was established.

The treasurer and librarian have made reports during the past year.

Respectfully submitted,

A. F. CHENEY, Secretary.
